Product description:

Robert Parker's Wine Advocate (Joe Czerwinsky, déc. 2017) : 91/100 *The 2016 Ventoux Quintessence Blanc is 80% Roussanne fermented in oak and 20% Clairette fermented in steel. The wines are then blended and aged in concrete for an additional six months. The result is a wine that combines the toasted nut and pear richness of Roussanne with the citrusy freshness of Clairette. It's a medium to full-bodied wine that shows some briny complexity, excellent flavor definition, focus and length. It should drink well for up to 5 years from the vintage.*
