**Product short description:**

89/100 Robert Parker's Wine Advocate

**Product description:**

**Robert Parker's Wine Advocate** (Jeb Dunnuck, Oct 2016) : 89/100. *The 2014 Châteauneuf du Pape is a rock-solid blend of 60% Grenache, 15% each of Syrah and Mourvèdre, and the balance Cinsault. Its healthy ruby/purple color is followed by traditional notes of dark fruits, olive tapenade and cured meats, and it's medium plus bodied on the palate, with good concentration and solid mid-palate depth. Drink this classic, old-school beauty through 2024. Drink 2016-2024.*
