Jean-Claude Lapalu Brouilly Cuvée des Fous 2016

Robert Parker's Wine Advocate (Neil Martin, août 2017) : 92/100. *The 2016 Brouilly Cuvee des Fous has a complex bouquet with scents of raspberry coulis, wild strawberry, cold stone and undergrowth. This is very detailed, quite an intellectual bouquet for a Brouilly. The palate is very energetic. You can feel this ricocheting around the mouth with "zingy" dark berry fruit, mixed with cola and light orange peel notes. This is going to grow up to be a superb Brouilly, and as such, it comes highly recommended. Drink 2019-2028.*
