Product description:

Robert Parker's Wine Advocate (Luis Gutierrez, juin 2019) : 93/100. *The 2016 Arbois Traminer shows nice concentration and intensity. I adore the freshness and the length, it has everything one expects from a dry Savagnin (the name is a bit of a provocation, something Stéphane Tissot likes). This is the only Savagnin ouillé produced in 2016, as they are focusing on the production of vin jaune. This is varietal, clean, fresh and dry, serious and really tasty. It's a shame they don't make more of this style, because it's a wine I love. 9,000 bottles produced. Drink Date 2019-2021*
