**Product short description:**

91/100 Robert Parker's Wine Advocate

**Product description:**

**Robert Parker's Wine Advocate** (David Schildknecht, août 2014) : 91/100. *The Boxler 2011 Riesling Sommerberg D(udenstein) Vendange Tardive - labeled with a capital "D" on its presentation label - delivers extremely ripe peach, quince, mango and cantaloupe tinged with decadently sweet floral perfume in the nose and allied to subtle oiliness on an opulently expansive palate. The purity of fruit here certainly reflects what Jean Boxler reports as having been very fine, dry and evenly distributed botrytis. There may not be a lot of counterpoint here, but the melodies are seductive. I suspect that the pleasure will be best had by 2020.*
