Product short description:

Product description:

Robert Parker's Wine Advocate (William Kelley, février 2020) : 89-91+/100. *The 2018 Gevrey-Chambertin Village is very promising, mingling notes of cherries and berries with sweet soil tones and hints of rose petals and spices in an incipiently complex bouquet. On the palate, it's medium to full-bodied, fine-boned and elegant, with fine depth at the core, ripe and refined tannins and a penetrating finish.*
