Product short description:

Product description:

Robert Parker's Wine Advocate (William Kelley - janvier 2021) : 91-93/100. *Aromas of rose hips, cinnamon, red berries, plums and sweet soil tones introduce the 2019 Vosne-Romanée 1er Cru Les Suchots, a medium to full-bodied, lively and delicate wine that's fine-boned and precise, with a pretty core of fruit and gently chalky structuring tannins.*
