Product short description:

94-96/100 Robert Parker's Wine Advocate

Product description:

Robert Parker's wine advocate (William Kelley, janvier 2021) : **94-96/100**. *The 2019 Clos des Lambrays Grand Cru is very promising indeed, mingling scents of blood orange, wild berries and plums with notions of exotic spices, wilted rose petals, raw cocoa and loamy soil. Full-bodied, velvety and layered, it's deep and multidimensional, with a concentrated, elegantly fleshy core, lively acids, largely concealed tannins and a precise, perfumed finish.*
