**Product description:**

**Château de Beaucastel rouge 2019**

**Robert Parker's Wine Advocate** (Joe Czerwinski, mai 2022): **95/100**. *The dark-fruited, plummy and cola-scented 2019 Chateauneuf du Pape is a rich, full-bodied effort reminiscent of the 2007 or 2009. Dense, powerful and savory, it may drink well for a short time on release, but expect it to close up shortly, only to reemerge in several years. There's ample concentration and sufficient tannins for the long haul, with a long, dusty finish and hints of licorice that bode well for the future. (drink date: 2026-2038)*
