Product short description:

94/100 RVF and B+D. "The Other Coteau de Noiré"... The vines in this parcel were a bit too young, but their potential was such that the winemakers warned us: "*one day you will see*". With each new vintage, this cuvée amazes us a little more... and its price is getting closer to the illustrious Coteau, its elder... But we are still far from the prices of other great Cabernet Francs from the Loire, and we should take advantage of it. Still too young in 2022, best to forget it in the cellar for a few years if possible.

PRESENTATION OF DOMAINE ALLIET
+ ALL ITS OTHER WINES IN STOCK

Attention:

The wines signed by Philippe Alliet all deserve a **decanting** a few hours before tasting, as the low level of sulfur used during vinification sometimes promotes the phenomenon of reduction upon opening the bottle (unpleasant aromas of cabbage, rotten egg), which of course disappears with aeration.

Domaine Philippe Alliet Chinon "L'Huisserie" red 2020:

RVF Guide to the Best Wines of France 2024 (August 2023): **94/100**. *"The nuances of charcoal and graphite emerge from L'Huisserie, rich in concentration of material and tannins. Still robust, it will unfold peacefully in the coming years with a aging potential of over 20 years."*

Bettane + Desseauve Guide 2024 (Sept. 2023): 94/100.

RVF Guide to the Best Wines of France 2023 (Sept. 2022): 93/100. *"The tactile grain of L'Huisserie is much finer, its limestone persistence is fantastic. What a salivating wine, ready for more than fifteen years"*

Robert Parker's Wine Advocate (Y. Castaing, June 2024). **92/100**. *The acidities in the 2020 vintage were lower compared to those in 2022, rendering the wines of this vintage more accessible and straightforward. Indeed, with aromas of spices, dark berries and flowers, the 2020 Chinon L'Huisserie, picked on September 18, possesses a medium to full-bodied palate with a delicate, juicy core of fruit, powdery tannins and vertical acidities in the finish. Ethereal and elegant, it marries tension and charm to pleasing effect. DRINK DATE 2024-2040.*

Technical sheet:

L'Huisserie is made from clay and flint soils, with relatively young vines. Aged 10% in new barrels, it will be easy to enjoy quickly, even though it has all the character to age 5 to 10 years.
