## **Product short description:**

The children of Pierre-Jean Villa are beginning to take over the domaine family business, and it's worth a visit... They started with this "little" Crozes, sourcing grapes from estates that their father has been monitoring and advising for a long time...

## **Product description:**

**PRESENTATION OF THE VILLA FAMILY**  
**+ ALL ITS OTHER WINES IN STOCK**

**Villa Family (Hugo and Pauline) Crozes-Hermitage red 2022**

## **Technical sheet written by the domaine:**

Hugo and Pauline present here an unpretentious vision of the appellation, without renouncing the tradition of Crozes-Hermitage. They aimed to reveal a serious syrah backbone, typical of the rolled pebbles, to create a beautiful fruit profile. On the palate, the wine is fresh, fruit-forward, and offers

---

immediate tasting pleasure. The winemaking method has allowed for the production of delicious juices, which will reveal all their brilliance within five years.

**Grape variety:** 100% syrah

**Soils:** fluvio-glacial alluvium, Rhône rolled pebbles, and loess.

**Winemaking:** 100% destemmed.

**Maceration:** 10 to 15 days.

**Aging:** 12 months in conical wooden tanks. Racking and blending 6 weeks before bottling.
