## **Product short description:**

"The other Coteau de Noiré"... The vines in this parcel were a bit too young, but their potential was such that the winemakers warned us: "*one day you will see*". With each new vintage, this cuvée impresses us a little more... and its price is getting closer to the illustrious Coteau, its elder... But we are still far from the prices of other great cabernet francs from the Loire, and we should take advantage of it. Still too young in 2023, it should be forgotten in the cellar for a few years if possible.

**+ ALL ITS OTHER CUVÉES IN STOCK**

## **Attention:**

The wines signed by Philippe Alliet all deserve a **decanting** a few hours before tasting, as the low level of sulfur used during vinification sometimes encourages the phenomenon of reduction upon opening the bottle (unpleasant aromas of cabbage, rotten egg), which of course disappears with aeration.

**Technical sheet:**

L'Huisserie is made from clay and flint soils, with relatively young vines. Aged 10% in new barrels, it will be easy to enjoy quickly, although it has all the character to age for 5 to 10 years.
