**Technical sheet written by the domaine:**

Le Petit Vin d'Avril red is a table wine made from vines located at the edge of the Châteauneuf-du-Pape appellation, along the Rhône. We treat these wines with the same rigor as our appellation wines, and for one-third of the volume, we practice aging in large casks. The average yield per hectare is 30 to 35 Hl.

**Grape composition of the domaine** (variable depending on the vintage):

- 30% grenache
- 20% syrah
- 10% mourvèdre
- 15% cabernet sauvignon
  
- 15% merlot
- 10% marselan caladoc

**Vines:**

Average age of the vines: 30 years

Area: 4 hectares

Training: Cordon de Royat and Gobelet

Manual harvesting

**Vinification:**

Classic, harvested, crushed, destemmed. Maceration for about 20 days.

Aging in large casks for part of the wine for 12 months.

Le Petit Vin d'Avril is bottled at the end of January, and for this year, it consists of 2/3 of the 2019 production and 1/3 of the blend from the previous year that has aged for a year in wood.

It is a fruity, concentrated, well-structured wine that can also be aged for a few years.
