Robert Parker's Wine Advocate (Joe Czerwinski, mai 2024): 90-92/100. AStill in tank when I visited but fully assembled and being prepped for bottling the following week, the 2021 Cairanne l'Ebrescade is a rather different blend, consisting of 50% Mourvèdre, 30% Syrah and just 20% Grenache. It lacks the richness of the 2020 but still exhibits charming black cherries and black raspberries on the nose, a crisper, fresher personality and remarkable length for the vintage. **DRINK DATE** 2024-2030.
