Product short description:

A Bordeaux that breaks the mold with its "Burgundian" bottle! **No added sulfites** allow the fruit of the merlot to shine like never before. Initially a cuvée "personal" for the family, the "internal" success was such that this very special cuvée is now offered to the fans of the château.

Technical sheet written by the domaine:

Grapes: 75% Merlot, 25% Cabernet Sauvignon

Family Reserve is the culmination of 31 years of work and research to achieve the natural expression

of the fruit. The taste of terroir is often mentioned, but the winemaker is the actor in this transformation. The pursuit of Organic/Biodynamic certification is not the priority; it is essential to adapt to each vintage and use the best methods to harvest grapes at their optimum ripeness.

A Burgundy-shaped bottle for this Bordeaux that immediately showcases its difference and breaks the codes! An atypical yet reassuring nose of ripe blackcurrant cream, black cherry coulis, cypress, a hint of chocolate, spices, and a slight bloody touch of rusty iron. Its palate is generous and sunny, very pleasant. To quote Nino Ferrer: "It feels like the South"!

Serve this wine blind; not only will your guests enjoy it, but they will be surprised to discover a Bordeaux!
