**Technical sheet written by the domaine:**

---

*The wine is a creation. A clever blend of human expertise, terroir, and the generosity of nature. It is also my story, that of a passion, a dream, told by old vines cultivated with love in respect of the soils and plants.*

**Grapes:** 80% grenache, 20% mourvèdre

**Vinification:** Whole-cluster harvest. Traditional vinification, with indigenous yeasts, with minimal intervention. Maceration for about four weeks, with some punch downs.

**Aging:** Aging in barrels (no new barrels) for 12 months.
