Product short description:

98/100 RVF. A legend in its own right! In total, the Grand Cru Rangen comprises only one hectare of this grape variety... half of which is located within the famous Clos Saint Urbain, undoubtedly the most illustrious in Alsace. In short: half a hectare on a nearly vertical slope of this unique terroir could only produce an extraordinary wine! In 2023 it is dry, but retains the very specific characteristics of the Gewürztraminer grape variety.
