Product short description:

1 SINGLE CARTON OF 3 PER CUSTOMER - any order exceeding this will be canceled and refunded. Rare bottle. The Soulas brothers learned everything from Laurent Vaillé of La Grange des Pères, and they now honor his memory by implementing his teachings. We did not have the opportunity to taste one of these too rare bottles from the 2022 vintage, but the feedback from trustworthy individuals has convinced us to offer them to you "blind." Moreover, we have a fond memory of the 2021 :-)
