Product description:

**Robert Parker's Wine Advocate** (Y. Castaing, juin 2025) : 90/100. *Notes of iodine, curry leaf and spices preface the 2024 Cotes de Provence Rose Premiere, a moderately weighted, juicy and fresh rosé wine that has bright acids and culminates in a fresh, iodine-inflected finish. This is a nice effort. **DRINK 2025-2035.***
