## **Product short description:**

A superb rosé from Milan, a great name in southern viticulture (and organic) and for us a potential successor to the domaine Hauvette at much lower prices. Léon was born in the Alpilles, a new eldorado for fine southern wines.

**RVF Guide to the Best Wines of France 2026** (Sept 2025): **88/100**. *The Léon Grenache rosé is worth a big sip for its delightful freshness and soft fruit; a very encouraging version of Provençal rosé.*

**Technical sheet written by the domaine:**

---

**Soil type:** Clay-limestone, Rolled Pebbles

**Grapes:** 100% Grenache

**Vinification / aging:** Manual harvest in 15 kg crates. Whole-cluster pressing. Natural settling at around 10°C. Alcoholic fermentation in stainless steel tanks at a temperature of about 18°C. No malolactic fermentation to maintain beautiful freshness. Aging on fine lees for 6 months with bâtonnage to bring complexity, richness, and fruit.

**Tasting:** The color is a beautiful salmon pink, the nose discreet with floral fragrances of white flowers, fresh licorice, and rosemary. The attack is clear, followed by a beautiful roundness and a finish on acidity. Notes of fresh raspberries, spices, and resin evolve at the end of the mouth into tangy notes. A dynamic length. A wine for an entire meal, from aperitif to dessert. A joyful pairing with Asian cuisine such as tempura shrimp or spaghetti with bottarga.
