Product short description:

The "little" Côtes du Rhône **organic** from Matthieu Barret... a blend between the south and north of the Rhône. One of the few essential wines in all respectable wine bars... when they can find it! A very beautiful vintage 2024, fruity and structured, quite comparable to 2023.

Matthieu Barret Côtes du Rhône "Petit Ours" organic red 2024

Technical sheet written by the domaine:

Petit Ours is the union of the power of the southern Rhône and the elegance of the northern Rhône.

The result is a fresh and structured syrah where the grape bursts in the mouth to reveal the syrah in its simplicity.

Terroir of Visan, clay-limestone, fairly deep clay soils to best express the fruit of the syrah.

100% destemmed syrah grapes, indigenous yeasts, short fermentation with pump-overs in concrete tanks, racking and aging for 9 months without sulfur, bottled with 1 g/hl of sulfur, the strict minimum to keep a "straight" wine.

Aromas of ripe fruits and spices. Elegant, indulgent wine that is especially digestible.
