Product short description:

The most accessible Côte-Rôtie from René Rostaing... already a very great wine, especially since in 2023, there were not enough grapes from the magnificent parcel "Viaillère" to make a cuvée on its own... and everything has come together to enhance the Ampodium!

Domaine Rostaing Côte-Rôtie "Ampodium" red 2023

Robert Parker's Wine Advocate (Y. Castaing, mai 2026): 94/100. *A blend of all the parcels owned by Rostaing and vinified with some 90% whole clusters, the 2023 Côte-Rôtie Ampodium is lifted and expressive, revealing aromas of grapefruit, dark berries, spice and violet, subtly framed by oak. Medium- to full-bodied, dense and structured, it is built around a firm tannic spine that carries through to a long, mineral finish. Still very young, it will require time in bottle to fully unfold and integrate. DRINK*

2030-2043

Technical sheet written by domaine Rostaing:

The cuvée Ampodium is surely the most accessible Côte Rôtie from the domaine, sourced from vines located in 13 different lieux-dits, adding a lot of complexity to the final blend.

Pierre Rostaing recommends pairing it with white meats, poultry, or white fish.
