Product short description:

The most accessible Côte-Rôtie from René Rostaing... already a very great wine, especially since in 2023, there were not enough grapes from the magnificent parcel "Viaillère" to make a cuvée on its own... and everything has come together to enhance the Ampodium!

Technical sheet written by domaine Rostaing:

The cuvée Ampodium is surely the most accessible Côte Rôtie from the domaine, sourced from vines located in 13 different lieux-dits, bringing a lot of complexity to the final blend.

Pierre Rostaing recommends pairing it with white meats, poultry, or white fish.
