Product short description:

The other "little" Côtes du Rhône from Stéphane Ogier, primarily Grenache to differ from the illustrious "Syrah d'Ogier". The quality-price ratio becomes indecent, but don't expect a light "little" Côtes du Rhône... This is truly a superb southern Rhône that can be kept for 5 years.

Technical sheet written by the domaine:

The time has come... for an adventure further south. There, these old Grenaches, this limestone hill, this mistral, this Mediterranean climate, everything contrasts with my native lands. Only the Rhône, the unconditional link of our differences, and my passion remain intact. The time has come... to share my new story with you.
