RVF: 91/100

Wine Advocate (Parker): 90+/100

Cépage dominant: gamay

Product short description:

Product description:

The Robert Parker's Wine Advocate (K. Wells, mars 2025) : **90+/100**. *With an charming nose of crushed petals, candied blackberries and cherries, the 2023 Chiroubles Grille Midi is full-bodied, with chalky tannins that lend it significant structure. It's broad on the attack but, as the tension from the salinity and tannins takes hold, the wine thins out and narrows into a focused finish. A few years in bottle will do this wine some good..* **DRINK DATE 2026-2032.**
