QUENARD

Vintage: 2024

Appellation: Vin de Savoie

Color: red

Unit Price: 20-30 €

Size: 75cl

organic or not: biodynamic and organic certified
agriculture

Cépage dominant: persan

Product short description:

A rather rare grape variety, typically Savoyard, whose floral and spicy notes remind one of Syrah, and the light color of Pinot... In short, a very particular grape variety, with a very approachable character that gives rise to wines that are well-rounded both on the nose and palate. It's surprising that this grape variety is so little known when tasting "Les 2 Jean"! Already superb in 2026.

PRESENTATION OF DOMAINE J.F. QUENARD
+ ALL ITS OTHER CUVEES IN STOCK

Domaine JF Quenard "Les 2 Jean" (Persan) red 2024

Technical sheet written by the domaine:

This old Savoyard grape variety, originating from Saint Jean de Maurienne, produces a fruity and structured wine on the limestone scree of St Jean de la Porte.

Grape variety: Persan

Age of the vines: 2 plots, one 15 years old and the other 35 years old.

Vinification: The Persan is whole-cluster fermented. The maceration lasts about 12 days. The frequency of pump-overs during maceration is determined by tasting. The aging of this cuvée takes place in 300L and 600L barrels and in concrete eggs on fermentation lees for 12 months.

Tasting & Pairings: This atypical grape variety is surprising with its fruity and spicy nose, reminiscent of marshmallow and violet flowers with a hint of menthol. Its freshness on the palate ensures a beautiful length as well as a strong aging potential.

The Persan can be paired with a tagine, a roast pork, or with sweet/savory dishes such as blood sausage with apples.
