Domaine Aurélien Chatagnier Saint-Joseph Blanc 2023 (3 bottles)

Technical sheet written by the domaine:

4000 bottles produced.

Grapes: Blend of 40% Roussanne and 60% Marsanne.

The soils are granitic and the average age of the vines is 25 years.

Vinification: manual harvesting, cold settling, fermentation with natural yeasts, in barrels, and temperature control from 15 to 20 °C.

Malolactic fermentation also in barrels.

Aging for 8 to 9 months in barrels of 1 to 5 wines. Use of sulfur reduced to the strict minimum.

The goal is to maintain freshness with good acidity, and to avoid any massive character with smooth tannins.
