Product short description:

94/100 RVF. The cuvée of prestige from the domaine, made from a parcel selection of 3 local grape varieties (the "burghese" or *bourgeois* of Sartène :-), vinified with precision and aged for 2 years in barrels and on lees. A great white wine to "make an impression"... or to keep all to oneself, as you wish!

Comments on this:

Domaine Sant Armettu Burghese dry white 2021

RVF Guide of the Best Wines of France 2026 (Sept. 2025): **94/100**. *Let's mention Burghese and Ermite, our favorites, with high relief, worthy of the greatest white wines on the continent.*

Technical Sheet written by the domaine:

TERROIR: Parcel selection on the granite sands of the Tizzano hills.

GRAPE VARIETIES: 80% Vermentinu, 10% Genovese, 10% Biancu Ghjente.

HARVEST: Destemmed, sorted in the vineyard and in the cellar, fermentation in a large cask. Barrel aging with selection of the best demi-muids for extended aging.

AGING: 24 months in demi-muids on full lees.

COLOR: Golden yellow color.

TASTING: The palate is supported by noble bitterness and impresses with its persistence. Expansive and racy, Burghese white will be appreciated with refined dishes and a curious audience.

TEXT OF THE BACK LABEL: *Vermentinu, Genovese, Biancu Ghjente become "Burghese," the bourgeois of Sartène. Burghese loves distinguished interiors and will enjoy telling the story of its native Corsica, at the heart of a chic dinner.*
