Product short description:

92/100 RVF. The Marsanne grapes of this cuvée grow on decomposed granite and clay soils. This is what brings this *pep* and this uncommon minerality to the Saint Peray appellation. This cuvée is aged for 18 months in barrels, and its name reflects that!

Comments on this:

Domaine François Villard Saint-Peray "Version Longue" 2023 dry white wine

RVF Guide to the Best Wines of France 2026 (Sept 2025): 92/100. *The long version in Saint-Péray is precise, with just the right amount to envelop it and bring dynamism on the palate; very nice length.*
