Product short description:

A superb rosé from Milan, a great name in southern viticulture (and organic) and for us a potential successor to the domaine Hauvette at much lower prices. Léon was born in the Alpilles, a new eldorado for fine southern wines.

Domaine Fontchêne "Léon" rosé 2025

Technical sheet written by the domaine:

Soil type: Clay-limestone, Rolled Pebbles

Grapes: 100% Grenache

Vinification / aging: Hand-picked grapes in 15 Kg crates. Whole-cluster pressing. Natural settling at around 10°C. Alcoholic fermentation in stainless steel tanks at a temperature of about 18°C. No malolactic fermentation to maintain a beautiful freshness. Aging on fine lees for 6 months with bâtonnage to bring complexity, richness, and fruit.

Tasting: The color is a beautiful salmon pink, the nose discreet with floral fragrances of white flowers, fresh licorice, and rosemary. The attack is clear, followed by a lovely roundness and a finish on acidity. Notes of fresh raspberries, spices, and resin that evolve at the end of the palate into tangy notes. A dynamic length. A wine for an entire meal, from aperitif to dessert. A joyful pairing with Asian cuisine such as tempura shrimp or spaghetti with bottarga.
