Product short description:

A cuvée of pleasure and sharing signed by Milan, a great name in southern (and organic) viticulture and for us a potential successor to the domaine Hauvette at much lower prices. Léon was born in the Alpilles, a new eldorado for fine southern wines. A "house" blend primarily from the 2025 vintage, but not exclusively. The winemaker is very meticulous!

Domaine Fontchêne "Léon" red 2025

Technical sheet written by the domaine:

"House" blend primarily from the 2025 vintage.

Soil type: Clay-limestone, Rolled Pebbles

Grapes: Syrah, Merlot, Cabernet Sauvignon, Mourvèdre

Vinification / aging: Manual harvest in 15 kg crates. Destemming, vating, and crushing of the grapes. Delicate extraction through short daily pump-overs. Alcoholic fermentation in stainless steel tanks, grape by grape, at controlled temperature. Maceration for 3 weeks. Aging in tank (50%) and in oak barrel (50%) for 18 months.

Tasting: A deep color, notes of violet and spices on the nose. The palate is creamy, supported by soft tannins and a luscious fruit with roasted contours. A cuvée of pleasure and sharing.
