Product short description:

New cuvée from the domaine de la Terrasse d'Elise. Very mysterious, like all the production of Xavier Braujou. What is this *revelation*? We couldn't find out more about this cuvée. Only the grape variety: 100% "G"renache. The label is very explicit! We found it stunning. It's "the other" grenache, more accessible (and available!) than the famous GN, unfortunately hard to find.

RVF Guide to the Best Wines of France 2026 (Sept. 2025) : **94/100**. *The cuvée G une Révélation is a vibrant grenache, with a translucent color: its very ripe and juicy red fruit, almost saline, establishes its minerality in the length of a rich palate.*
