Product description:

PRESENTATION OF TERRASSE D'ELISE
+ ALL ITS OTHER WINES IN STOCK

Domaine La Terrasse d'Elise Languedoc "Elise" red 2020

The winemaking method (long aging in barrels and bottling without fining or filtration) + the extended aging in bottle intentionally leaves the lees resulting from fermentation in contact with the wine for added finesse... but cannot avoid a significant deposit in the bottle, which of course has no impact on tasting.

Technical sheet written by the domaine:

AOP Terrasses du Larzac, Red

Blend: 70% Syrah and 30% Mourvèdre

Aging: 24 months in barrels then 5 years in bottles.
