Technical sheet written by the domaine:

A fresh and subtle blend of exotic fruits and indulgences.

Grape variety: 100% Chenin

Terroir: Vineyard parcel located in the municipality of Mozé-sur-Louet, on a terroir of volcanic rocks: rhyolites and phtanites. These vines are in conversion to Organic Farming: mechanical soil maintenance, respect for biodiversity, and careful consideration of each pass through the vines.

Vinification and aging: Grapes hand-harvested at over-ripeness with 3 passes and selection of passerillé grapes on the vine. Gentle pressing of the berries followed by fermentation with indigenous yeasts over several weeks. 6 months of aging on fine lees. Bottling in spring 2025.

Sensory discovery: The color is golden yellow with bright reflections and great crystalline clarity. The nose is pleasant with an impression of freshness. The aromatic expression revolves around white and exotic fruits. On the palate, the attack is soft and lively, with a beautiful taste balance, featuring notes of passion fruit, roasted pineapple, and mango. A long and fresh finish.

Gourmet pairings: Foie gras; duck; blue cheeses, tarts with white or exotic fruits.

Serving: 5-6°C

Aging potential: 2 to 5 years but is perfect for tasting now (2025).
