Product short description:

Victim of his success, Brice Omont is short on wine and produces, in addition to his usual cuvées from his own domaine, this magnificent cuvée full of freshness and fruit, made from 100% organic mondeuses that he has meticulously selected - and nurtured throughout the year - from his friends and neighboring winemakers in the commune of Apremont. Finally, an accessible Ardoisières!

ATTENTION: the capsule of this bottle is made of food-grade wax. To open it under the best

conditions, push your corkscrew directly through the wax, and once it is well into the cork, pull sharply (without using the lever if you have a waiter's friend), in short, "the old-fashioned way." This is my best way to avoid "crumbs" in the bottle!

Technical Sheet written by the domaine
