Color: red

Unit Price: 30-50 €

Size: 75cl

organic or not: biodynamic and organic certified
agriculture

Cépage dominant: syrah

Product short description:

This Montcalmès is a little marvel. As always, we recommend waiting a few years before tasting it, as it is quite young at the time of its release from the cellars of domaine in spring 2026. Your patience will be rewarded!

PRESENTATION OF DOMAINE DE MONTCALMÈS
+ ALL ITS OTHER WINES IN STOCK

Domaine de Montcalmès Terrasses du Larzac red 2023 signed Frédéric Pourtalé

Technical sheet written by the domaine Montcalmès :

Since the 2015 vintage, the domaine has been certified organic, a testament to the domaine's commitment to sustainable and environmentally friendly agriculture.

Grapes : 60% syrah, 20% mourvèdre, 20% grenache.

Vineyard : The syrah and grenache are planted on a limestone plateau (lacustrine limestone) facing North. In Aniane, the soils are oriented full South and North-West, where we have planted the mourvèdre (round pebbles like Châteauneuf-du-Pape)

Average age : 30 years

Yield : 25 hl/ha.

Vinification : The different grape varieties are vinified separately. Harvest is destemmed and crushed. Vinification on indigenous yeasts. Maceration of about 30 days depending on the vintage. Exclusive punching down on the three grape varieties.

Aging : Aging in oak barrels of one wine, two wines, or more for 24 months. Blending of the three grape varieties two months before bottling. Bottled on the Old Moon, unfiltered wine.
