Description du produit :

**Sur ce vin en particulier:**

**Robert Parker's Wine Advocate** (oct. 2011): *Michel Tardieu's 2009 red Northern Rhone offerings still have a long wait in barrel before being bottled unfined and unfiltered. They all reveal deep colors as well as abundant concentration, structure and power. I thought the best cuvees were the Cornas, St.-Joseph, Crozes-Hermitage and Hermitage. The Hermitage and Cornas appear capable of 15 or more years of evolution, and the Crozes-Hermitage and St.-Joseph should last at least a decade. The Cote Rotie Vieilles Vignes exhibited great fruit, but it was not a sensational wine in comparison with the other efforts.*
